

I as a private citizen of the State of Indiana want you to know that I DO NOT want the Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone Privacy law and I want you to know I STRONGLY reject the idea of them using any third party information to contact me by phone without my permission IN WRITING.They are an annoying and only tie up my phoneline for more important calls.Please DO NOT allow the CBA to win in this case.Thank you,
Mr.Fred Traweek
